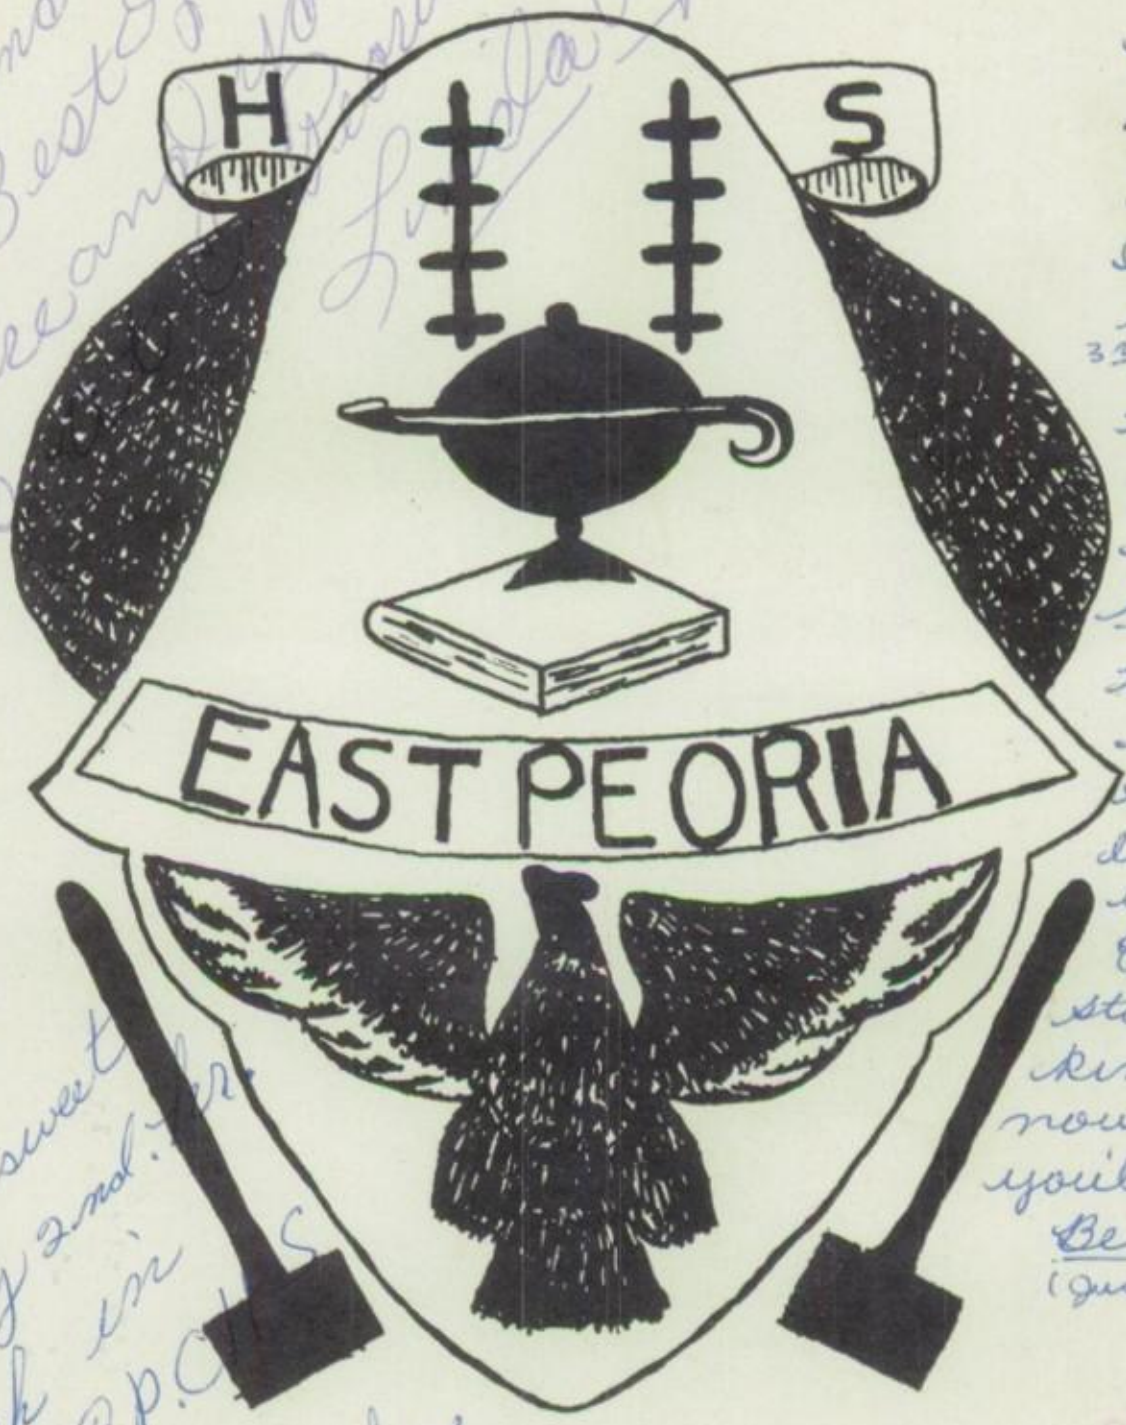
BOOK BELONGS TO
(TONY FREEMAN)

Tony,
Heres to a real nice kid, who I like a lot, Always remember the 3rd class we had together, it was fun. Heres always to wish you the best of luck to the boy that lives across the street. Also good luck at your future years here at E.P.C.H.S. Always stay as sweet and kind as you are now, and Im sure youll go along way.
Be good like me.
(Just kidding)
Love Ya,
Sandy



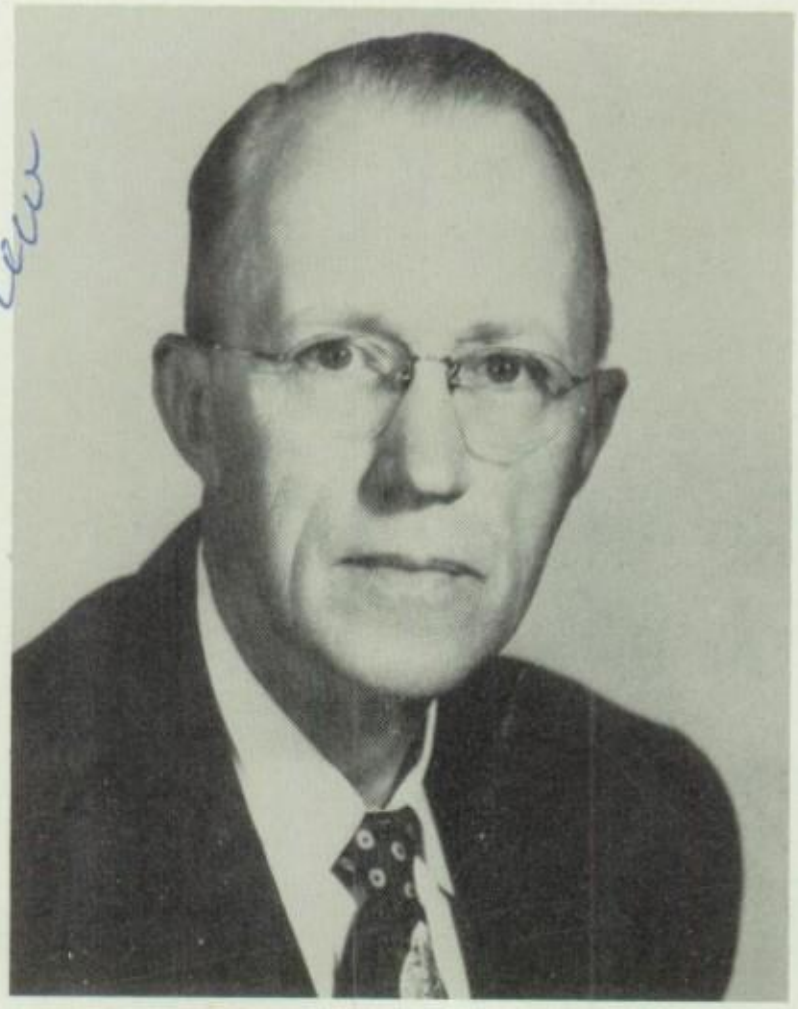
Epoch of 1963

East Peoria Community High School

East Peoria, Illinois

Volume 22

In Memory Of



Byron R. Moore

Here's to dear old Alma Mater,
East Peoria, our pal;
Here's to hills and vales and rivers,
To the soul of de La Salle;
Here's to winds that blow our colors,
High they wave and fold,
Matching courage of the sunset
And the truth of earth's pure gold.

Here's to grads across the mountains,
Over earth and all the seas;
Marching hand in hand with valor—
A lesson learned from thee.
Dear Maroon and Gold, we pledge you—
Hearts to match your gold,
And the courage of the sunset—
Dear old school, our love you hold.

We, the Epoch staff and the Class of 1963, dedicate the 1963 Epoch to Byron R. Moore, who contributed forty-one years of loyal service to our school for the furtherance of education.

Board of Education

Our Board of Education is comprised of a group of citizens devoted to their work, and tireless in their efforts for the betterment of E.P.C.H.S. Confronted with the tasks of appropriations, they attempt to act always in the best interests of the students, trying to provide for their endless needs. The Board of Education also is responsible for the establishment of school policies, such as the student prices for the athletic contests, the renting of the school gymnasium, etc. In this line of work, we are indebted to the Board of Education for their part in the EPOCH, making it possible for each student to obtain a worth-while annual.

In addition to the competent members who have served in the past, we see several new faces. We are proud to find such people, who have worked to make E.P.C.H.S. one of the finest and best managed schools in Illinois, and those who are presently working to maintain this reputation.

Standing, left to right: Thomas Harvey, Cleo Koch, Albert Schmitt. Seated, left to right: J. R. Fredrickson, Maynard Burchell, Mary Louise Sarron, Hilbert Metzger.

Messages to the Student Body

Each year the value of your Epoch will appreciate as the memories of your high school days are recalled. This year's book represents a lot of hard work on the part of the yearbook staff. Congratulations are in order for a fine effort, as indicated by this outstanding book.

I would like to express my sincere thanks to the faculty and the student body for the fine school spirit and hard work shown throughout the year. It is this spirit and work that has made 1962-63 one of our finest years.

I also wish to express the gratitude of the student body, the faculty, and the administration to the Board of Education and to the people of the community whom they represent for having made all this possible.

John W. Fritz

John W. Fritz
Superintendent

This year's Epoch is an excellent reflection of a most pleasant and rewarding school year for those who invested their time and effort productively. It has often been said that one receives in direct proportion to what one gives. Education is a grand exception to this maxim. All about us, in this ever-changing world, are impressive examples of people who have achieved beyond their expectations because they put more than was regularly required of them into their education.

May the students of this school be ever aware of the blessings of a democratic community which has a concern for young people and what becomes of them.

Deans

This stylish, smiling, and solicitous little lady behind the big desk in the Student Service Center is the well-known Dean of Girls, Mrs. Bahnfleth. Although a trip to the Dean is reputed to be disagreeable, Mrs. Bahnfleth can make any encounter a pleasant experience.

Besides personal counseling, our Dean is responsible for the scheduling of students' classes and of all school events, the handling of all girls' disciplinary problems, and the signing of admittance slips.

Too few of us realize or fully appreciate the problems encountered by Mrs. Bahnfleth; however, her efficiency is reflected throughout the year by her indefatigable nature.

The active Dean of Boys, Mr. Russell Moore, is now completing his sixth year at E.P.C.H.S. His duties include the supervising of the conduct of boys, the interviewing of incoming freshmen, and the scheduling of courses. A constant supervisor of the halls and men's facilities, Mr. Moore has many fascinating anecdotes to relate. Besides these activities, he is always willing to confer with parents and to speak to community groups.

Mr. Moore received his Bachelor of Science and Master of Science degrees at Bradley University.

Our male population looks to him for guidance and receives just and wise counseling.

Counselors

Having the difficult job of helping seniors decide upon a career and a college, Mr. Charles Williams arranged group meetings and individual interviews with college representatives, planned and chaperoned field trips to various college campuses, and aided seniors in applying for admittance to their particular colleges.

Besides these duties, he was Student Council Advisor (a big job was organizing a Pancake Supper) and placement test administrator.

He attended Knox College and Bradley where he received his Bachelor of Arts and Master of Arts Degrees respectively.

Miss Jean Klopfenstein, in her second year as Junior Class Advisor, is working on her Master's Degree at Bradley University.

Two of her many duties include providing data on job placement and acting as administrator of placement tests. She also supplied the juniors with information on college entrance exams, scholarships, and admission requirements.

The juniors turn to Miss Klopfenstein for advice, which she eagerly gives with sincere interest.

Miss Klopfenstein was awarded a Bachelor of Arts degree from Eureka College. She also has done graduate study at Illinois State Normal and Bradley University.

Mr. Brad Murphy, in his second year as full-time Counselor, has already established himself as a friend and leader to many students at E.P.C.H.S. This year, serving as counseling advisor for the Sophomore Class, he has brought many students out of the depths of freshman confusion.

In addition to his counseling duties, he served as coach of the sophomore football team. Mr. Murphy has attended Knox College, Western Illinois University, Colorado State, and Bradley University. He received his B.A. at Knox College and his M.S. at Colorado State.

Office Staff and Nurses

In order to establish E.P.C.H.S. as a properly-run and well-organized high school, the office staff performs a number of varied jobs. As well as running the switchboard, keeping the records, and handling the finances, they cheerfully help the organizations within the school cope with their problems. The office staff offers many conveniences for the student. A well run bookroom is available for the student to purchase school supplies and other needs. The office staff also efficiently handles the Student Services.

Adding to the efficiency and completeness of the office are two cheerful and pleasant nurses, who are always willing and ready to help the student in case of sickness or an emergency.

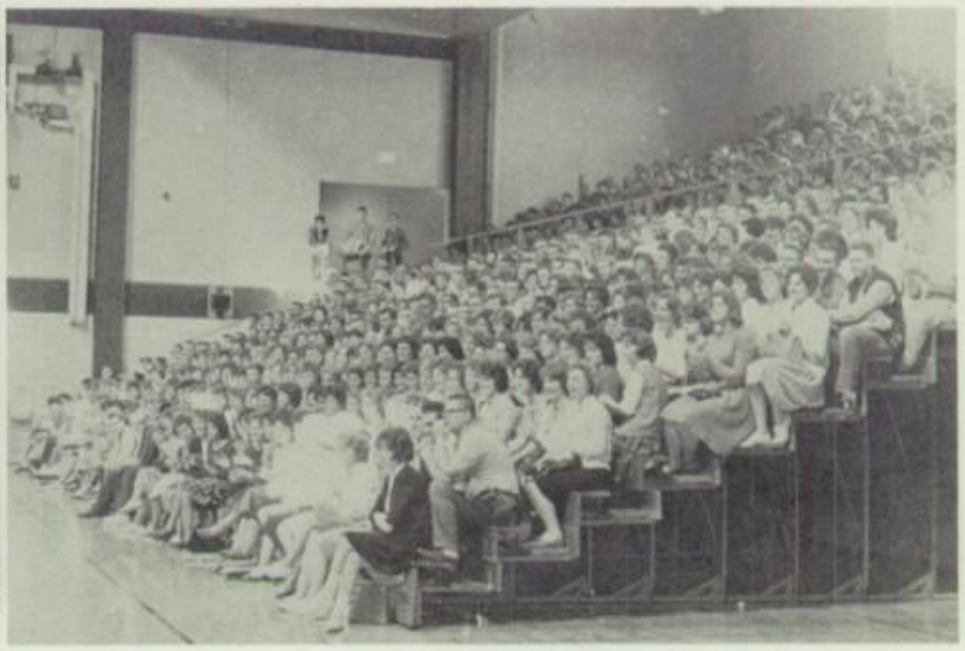
Where art thou going?



Sitting on our pride.

Why didn't I learn to play the flute?

And to think, you're still a growing boy.

Singing the loyalty song.

Nobody leaves without first saying please.

To a real sweet guy, who I wish I could have known all year. To one who tries to fit things with L.S. and me, but who will never be successful.

Four wonderful years have drifted into memories.

The Senior Year — the culmination of twelve years of schooling. These years, although not always pleasant, have built a strong foundation for further study and a rewarding career.

Somehow managing to struggle through Senior English, physics, speech, and F.A.M., the seniors, nevertheless, found time to lead their school in athletic and intellectual glories. Small, but mighty — the class of '63 can look proudly at their Alma Mater with the thought that they have helped make a great school greater.

Those seniors are at it again.

Sanguineous Seniors

Left to right: Peggy Davis, Barbara Cripe, Carole Watkins.

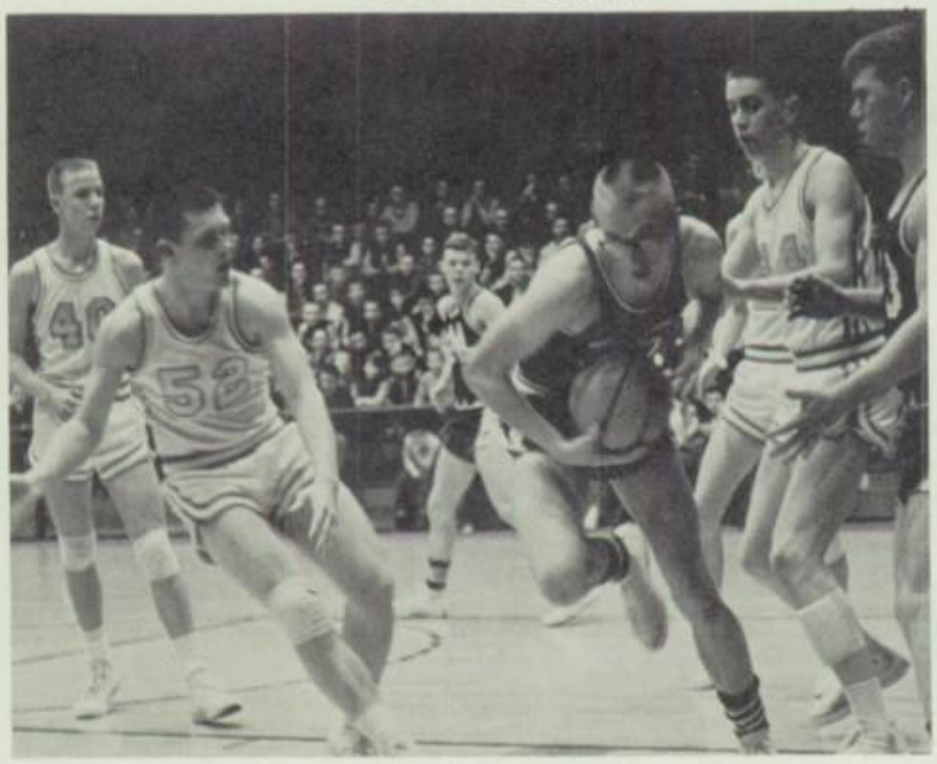
"Bend over a little farther and I'll get that fly."

"When I say jump, jump!"

"So I said, 'Do I look twenty-one?'"

"So all right, I'm jumping!"

Look at her go . . . .

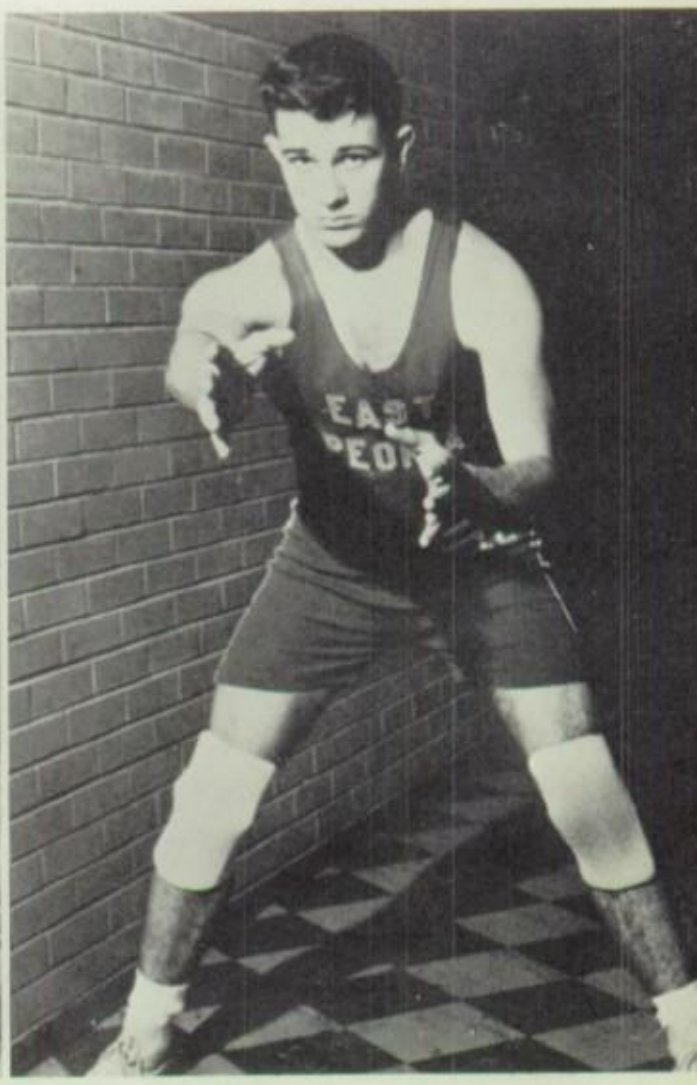


"Just for that, I'll take my ball and leave."

"Well, somebody had to get it!"

Top row, left to right: George Pogue, Rodney Wiser, Ron Evans, Tom Bush, Gary Hunt. Bottom row, left to right: Barbara Johnson, Janet Roger, Joanne Hoffman, Barbara Cripe, Kathy Ludlam.

Illini Champ: Lahne Tisdale



Left to right: Rae Arnold, Bill Riddle, Jack Heuerman, Randy Craft.

"Three down and one to go" will be the motto of the Junior Class Officers as this year comes to an end. The four officers were quite busy this year with preparations for the Junior Prom, which was given in honor of the Seniors, and the Junior Class Play, "Our Town"; they also spent many nights in choosing a selection of Junior Class rings which pleased the whole class.

Juniors

President ..... Randy Craft
Vice-President ..... Jack Heuerman
Secretary ..... Rae Arnold
Treasurer ..... Bill Riddle

We hope as Seniors "the shoe will fit."

Reform in the rear and charge!

As sophomores we have lived up to our name—wise and foolish!

The newest of the upperclassmen, the sophomores, have encountered many new experiences during their second year at EPCHS.

Each has considered seriously the profession into which he wishes to enter and has begun preparation for it by carefully selecting his preparatory courses. The sophomore class advisers are Mrs. Kauffman and Mr. Mohn.

I told you there should be less streamers!

President ..... Roger Ferris
Vice-President ..... Aaron Dick

Wearing green and bewildered looks, you, the freshmen, made your debut at E.P.C.H.S. It was not long before you were in the swing of high school life and activities. But honestly, at first, didn't you feel like a misfit, an "Ugly Duckling," with the upperclassmen glaring at you?

Next year after enjoying a summer of leisure, you'll return as sophomores, holding up your heads with pride expressing confidence in the coming year. Opportunity is knocking – answer its calling!

We hope as Freshman we can "find our shoes."

Football

"Exciting" best describes the 1962 football season at East Peoria High. Showing an impressive 5-4 record — one of the best since 1945 — the team displayed football which has seldom been seen in past years. With the aid of the largest line in many-a-moon, the swiftness of Dave Brodt, the power of John Chewning, and the loyal support of the fans, the Raiders easily rolled over five Mid-State Eight and Illini teams, winning the all-important Homecoming game with Galesburg — 27-0.

East Peoria was well represented on the annual Mid-State Eight Conference team by three members, Dave Brodt, Paul Hammond, and Jim Mathews. These were the first representatives from East Peoria since 1958, when the Mid-State was formed. Jerry Harrison and John Chewning received Special and Honorable mentions respectively.

Although the 1962 season was successful, it brought sadness to East Peoria with the end of the six-year reign of Mr. Corwin Clatt as head football coach. He led his alma mater into three out of six winning seasons, 1958, 1960, and 1962. The Raiders captured the Illini Conference in 1958 and placed second this year with the help of his guidance.

The season is over now, and we must look forward to next year when the underclassmen of this year will be our leaders. Although next year's team will be young, it will have the enthusiasm of this year's team and the incentive of Mr. Clatt's expectations to lead them to VICTORY.

Cheerleaders

East Peoria has found the key to unlock the mystery of blends in a rare recipe — the FOOTBALL AND BASKETBALL SPECIAL!

First mix a barrelful of ENTHUSIASM with a generous sprinkling of RED RAIDERS spiced with tons of SPIRIT. Slowly sift a full measure of DETERMINATION, adding SPORTSMANSHIP and TEAMWORK gradually. Garnish with LOYALTY and whip the mixture until EXCITEMENT fills the air. Finally, top this special treat with the fancy swirls of East Peoria's pert and peppy VARSITY and J.V. CHEERLEADERS. This combination creates a concoction with all the flavor and color unique to our lively cheering section.

"As Captain, I suggest lining up this way."

What does one do with two big fights?

The essence of co-ordination.

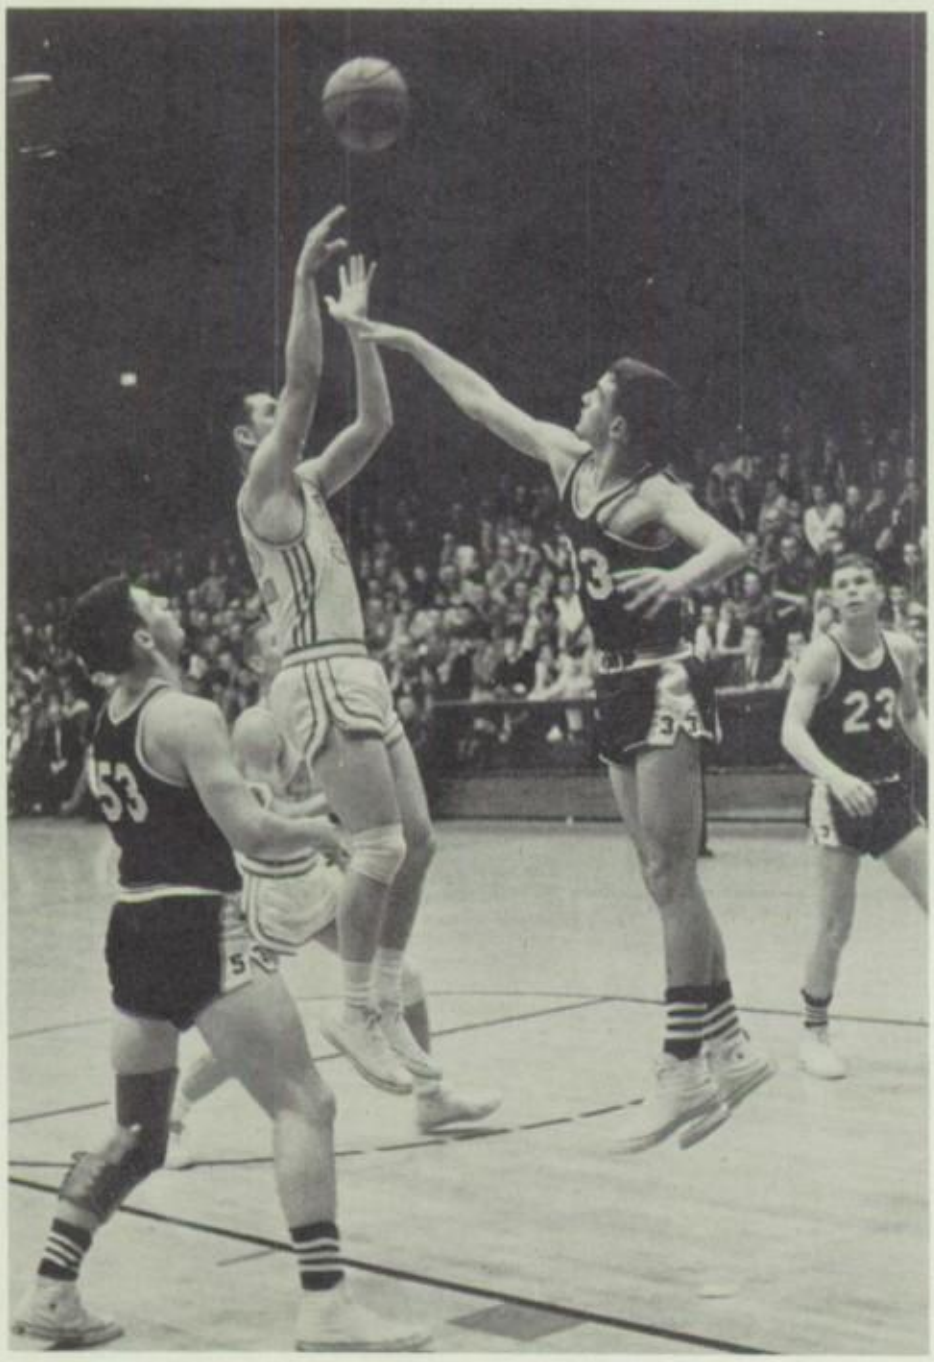
A Team With a Mark of Greatness



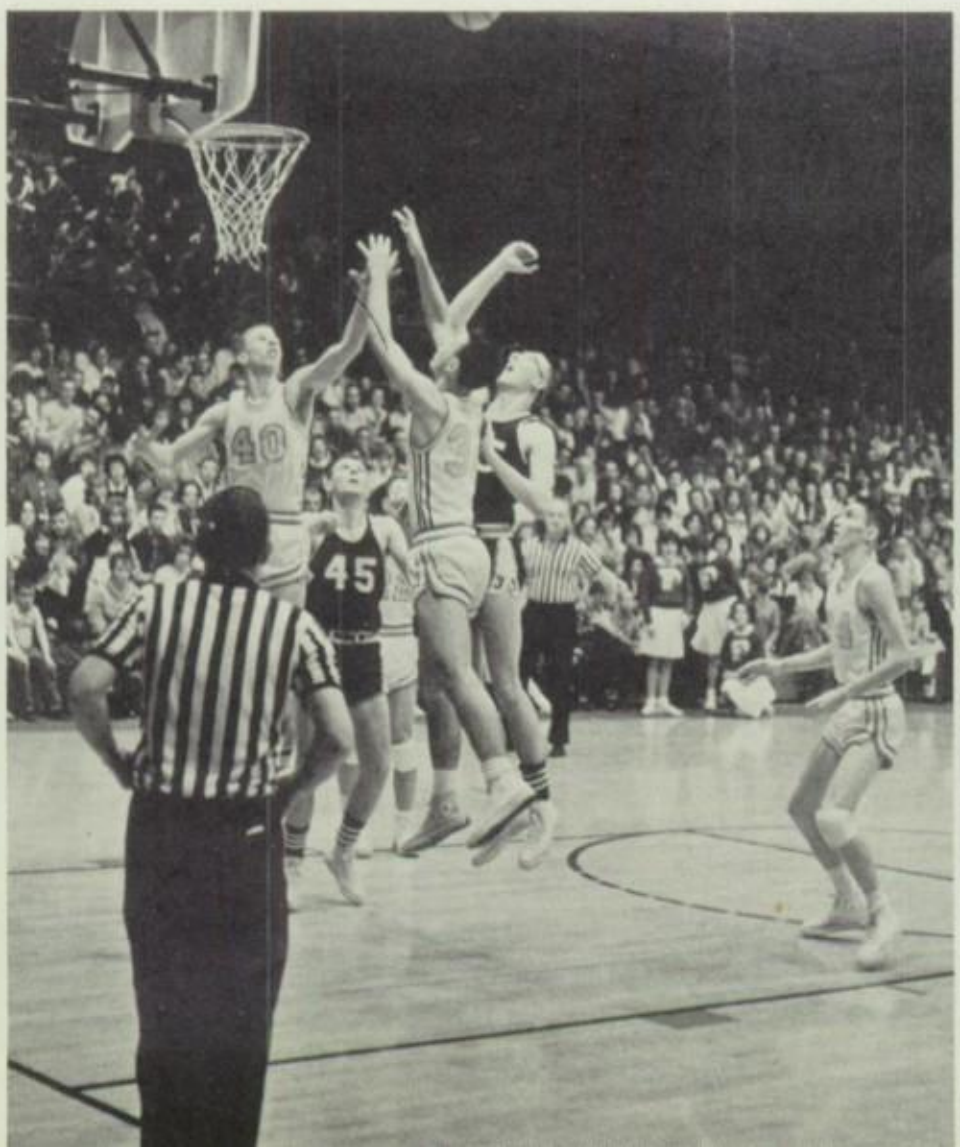
Basketball

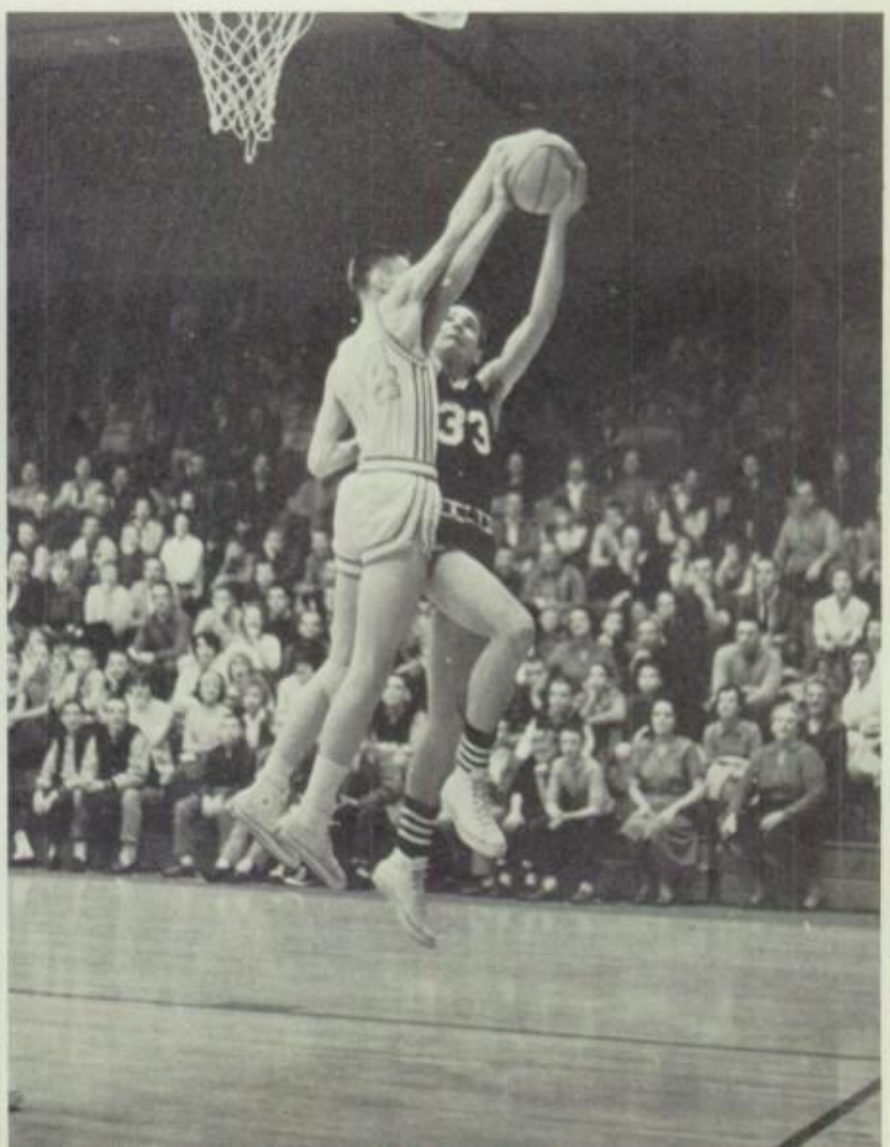
"800 tickets sold in one hour for a basketball game? Impossible!" Improbable, but not impossible for the rabid East Peoria fans who followed Coach Murphy's charges through one of their best seasons in the history of the school. Marred only by a disappointing loss to Central in the Peoria Sectional Finals (reservations for Champaign motels were being considered by many), this year's record of 21 wins and 5 losses will long be proudly discussed by 1,500 students and a comparable number of avid adult followers.

Besides sharing a first place in Mid-State Eight competition and taking second place in the Illini Conference, our well-balanced team had a perfect season in their own gymnasium.

Individual recognition was given to Chuck Buescher, who was named to the Chicago American, Mid-State Eight, and Illini Conference All-Star teams; Jay Barnhart, who made the Mid-State Eight and Illini Conference All-Star teams; and Bob Bremer and Greg White, who were given special mention in both Mid-State Eight and Illini competition. But without the rebounding of Rick Schwab and the spirited driving of Ken Conrad, the effectiveness of the team would not have been as great.

The achievements of the Varsity were complimented by an equally fine Junior-Varsity that shared the Mid-State Eight title. On the outstanding members of this team will be placed the hopes of the Raider fans.

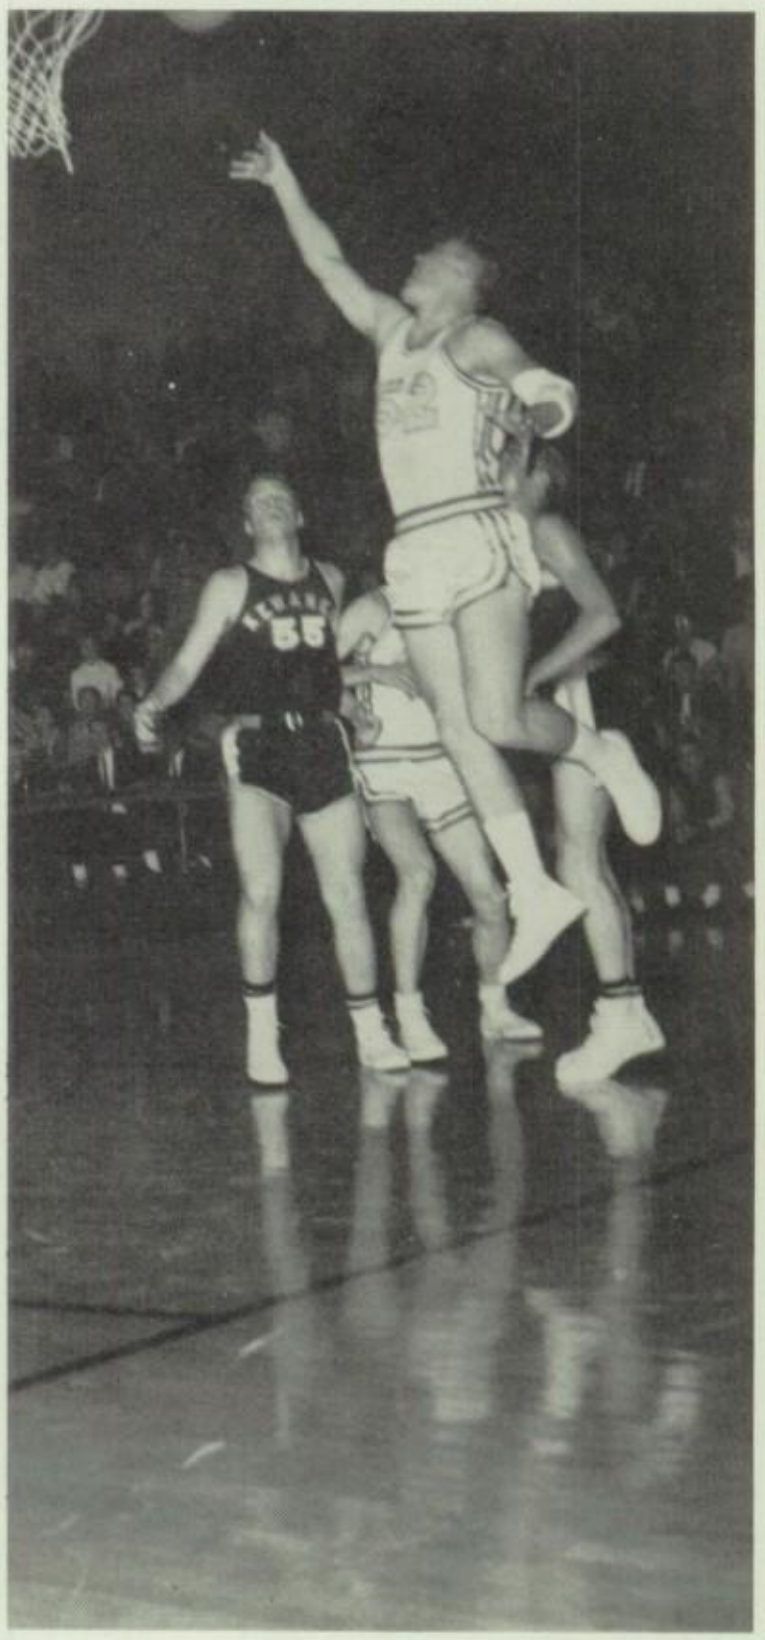




"Now, this is our out-of-bounds play."

"But, fellows, orchesis is Thursday."

A quick start on a tip-in.



"It just has to go in."

"It it comes this way, they don't have a chance."

"Out of my way, we need points!"

A two-minute warning.

"I didn't touch him."

"Since you won by only ten points last night, you'll run . . . and run . . . and run."

Top row, left to right: Coach Streitberger, Rich Bomer, Roger Fry, Rick Boundy, Fenton Bain, Terry Buhs, Don Ashlock. Bottom row, left to right: Sammy Kirk, Dave Adams, Arnold Petersen, Garry Combs, Gary Dittmer, Randy Ragle, Fred Kauffman. Not pictured: Ron Hunefeld.

Chalk up two more!

Wrestling

Although getting off to a slow start this year with four consecutive losses, the Red Raider wrestling team won first place in four divisions at the district meet in Woodruff. Capturing the title of District Champions for East Peoria were Gerald Leathers, Phil Brown, James Leathers, and Lahne Tisdale, each winning first in their respective classes. Lahne Tisdale went on to place third in the sectional match at Richwoods which placed East Peoria fourth in Mid-State Eight competition.

Special thanks and a trophy commemorating his fine service to the East Peoria Raiders were given to Mr. Dooley, who retired this year from the position of head wrestling coach.

A defeatist complex maybe!

Baseball

Illini Champs, one game from Mid-State Eight champs, and winners of 14 out of 20 outings make the East Peroia Red Raiders' 1962 baseball season add up to a totally impressive record. The nucleus for nine consecutive wins was formed by the fine pitching of Greg White (4-1), Robbie Bremer (4-1), and Ron Kromholz (6-3), strong fielding from all, and excellent hitting from four Raiders with batting averages of 300.

Gene Reuter, a major cog in the Raiders' machine, set a school record in stolen bases with an outstanding 21. Deserving team members, Larry Ellwanger, experienced third baseman, and Ron Krumholz, East Peoria's ace hurler, were elected to the Mid-State Eight Conference Team of 1962.

Although Mr. Millard stated that the team hitting must be developed, the 1963 baseball season looks promising. With experienced pitchers returning, the Raiders should have the foundations for a good year.

Top Row: Jay Barnhart, John Risius, Everett Gregory, Steve Taylor. Middle Row: Coach Millard, Bob Bremer, Larry Ellwanger, Chuck Buescher, John Moreland, Greg White. Bottom Row: Ron Krumholz, Fred Reuter, Chuck Morgan, Ken Conrad, Sammy Kirk.

Mr. Smith, what is the co-efficient of friction on Gene Reuter's hand?

"Ban, for people who care"

"Uselton up and over"

The 1962 Red Raider "sprinters, hurdlers, jumpers, and vaulters" provided rigid competition for their opponents, ending with a record of seven and two in dual meets. Under the supervision of Mr. Corwin Clatt, the team did much to do EPCHS credit.

Sixteen men earned letters for their hard work and skill. Wayne Otten and Jay Arnold were two outstanding "cinder smashers," Otten excelling in hurdles and Arnold in the broad jump.

Top row, left to right: Gordon Albritton, Scott Hinkley, John Uphoff, Paul Hammond, Ed German, Norman Stanton, Roger Parnham, Jim Sparks, Jack Willoughby. Bottom row, left to right: Don Skouby, Robbie Wright, Bo Iber, Scott Hinckley, Phil McCombs, Mike Koth.

Cross Country

The 1962 cross country team, which finished with a record of five wins and five losses, was sparked by the fine efforts of the following seven regulars: Greg White, Curtis Buck, Jeff Taylor, Bob Bremer, Dave Burright, Rick Miller, and Leonard Zebas. Besides four non-conference meets, wins were posted against Woodruff, Central, and Limestone, with losses to Pekin, Richwoods, and Manual. The team took third place in Mid-State 8 and third in the Illini.

Top row, left to right: Tom McConnell, Charles Harter, Barry Smith. Bottom row, left to right: Louie Gentz, George Logsdon, Harry Ingold.

Golf

For the first time in several years, Coach Bill Hoey has the makings of one of the finest golf teams ever produced at East Peoria. Although he has only one returning letterman, Barry Smith, Coach Hoey has four well-seasoned seniors to tackle hilly North Moor, their home course.

In the past, the team has been unheralded and little-noticed. This year they started practicing the first of February in the driving cage with hopes of bringing home many trophies.

Vying for starting positions with Smith are seniors Louis Gentz, Charles Harter, Harry Ingold, Tom McConnell, and sophomore George Logsdon.

Bowling League

If one had happened into the Bowlairo around 10 o'clock any Saturday from November to March, he would have found the members of the eight teams of the Saturday morning Bowling League actively participating in a great American pastime.

In March, an over-all tournament was held to determine the season's champions, to whom trophies were once again given. Trophies were also given for the most-improved bowler, the high score during the season, and the high score during tournament play.

Open to all interested high school boys, Bowling League promoted good sportsmanship and a better understanding of the rules of bowling.

Top row, left to right: Bob Smith, Bill Jenkins, Bob Salata, Ron Watson, George Phillips, Charles Huggins, Robbie Wright. Top row, left to right: Tom Caviezel, Dick Wood, Jeff Barnhill, Dick Topping, Steve Gregory. Bottom row, left to right: Tom Hawks, Phil Brown, Bo Iber, Dennis Bishop, Bill Becella.

Tennis

Tennis, an up and coming sport at East Peoria, has yielded some very fine players. Last year's team posted a record of five wins and seven losses. This year the team will miss the services of seniors Steve Gregory, Dick Topping, Tom Caviezel, and Dick Wood. Returning members Barnhill, Hawks, Iber, Brown, and Schlobohm will boost the Raiders' tennis hopes.

A.F.S.

Making the first decision to try out for AFS, writing the first theme to reveal her character, undergoing that all-important interview, being selected as a semi-finalist, composing the last big theme, and then, waiting, waiting for the decision from the New York judges were the painful moments before Barb Johnson's wonderful summer abroad.

After arriving in Japan, the first four days were spent in an orientation period in Tokyo. Thereafter, Barb spent seven weeks of living with the Yoshitsugu Katayama family in Nagoya, followed by a two week tour of the Japanese islands, and then, after an exhausting plane trip back to the states, home.

Among many things Barb learned abroad were taking off her shoes before walking on the tutami mats, eating meals with chopsticks while seated on the floor, sleeping on pillows filled with rice husks, and accepting the lack of privacy caused by sliding wall panels without locks.

Here and Abroad

July of 1962 was the lucky month for Lena Strauch. It was when she finally knew for sure that she was going to live for one year in the United States. After a month of preparation, during which she could neither sleep nor eat, Lena, at last, arrived at her North American home, that of Mr. and Mrs. John Buehler.

She had to accustom herself to many new things, such as food, weather, and the school system. These new things made her stay here unforgetable; in Brazil, she will be talking about what she has learned from the people of the United States whom she has learned to love.

When asked how she liked it here, Lena said, "It has been truly wonderful." In fact, her smile reflected the joy she felt as she lived her "dream come true."

Lena emanates Brazilian charm.

You mean they do this every year?

Guess who will receive the "A"?

Band

Under the capable direction of Mr. Arnold, the E.P.C.H.S. band provided a variety of half-time entertainment for all the home football and basketball games.

The band, sporting new uniforms and seventy-seven members, furnished music for many of the programs given throughout the school year. It also participated in the Mid-State Eight Festival, the Bradley Band Day, band concerts throughout the state, and many parades.

The Stage Band, newly organized this year, featured many of our outstanding musicians. Their first major activity was the musical production of "The Boy Friend."

Left to right: Rodney Wiser, Vernon Wood, Roger Fry, Murrell Rhodes.

Currently in its seventh year, Black Knights had one of its finest teams. Led by rookie mentor, Mr. Jerry Lewis, this squad upheld East Peoria's fine name in non-athletic events.

The purposes of Black Knights, or Chess Club as it is sometimes called, are to promote interest and to further knowledge in the game of chess.

Tournaments were held within the club, and the top members competed in matches with schools in the greater Peoria area.

The purpose of this club is to offer its members the opportunity to process their own pictures, to stimulate their interests in photography, and to improve their photographic skills.

Membership is open to all students of East Peoria High interested in taking pictures.

Regular meetings are held every week during the school year. The work nights were held Mondays and Thursdays.

Chemistry Club

Chemistry Club is an honorary association comprised of the outstanding science students at E.P.C.H.S. A junior, after completing a semester of Chemistry and obtaining at least a B average, is eligible for membership. Freshmen and sophomores may join, thereby becoming associate members.

The Chemistry Club augments their treasury by selling book covers and folios.

As well as having many interesting speakers, the club took field trips to Chicago, the University of Illinois, and Normal University.

The Chemistry Club offers a scholarship to a capable senior planning to further his education in Science.

E.P.C.H.S. has several good reasons for being proud of its choirs and choral groups which, for the past three years, have been under the capable direction of Mr. Eugene Foiles. Their outstanding performances included a moving, patriotic assembly, a sparkling Christmas concert, and many other outside performances for community groups.

The patriotic assembly was a high point of the assembly season. The finale, "The Battle Hymn of the Republic," was quite stirringly performed by the combined bands and choirs.

Among the many groups in the vocal music department are Master Choir, Sextet, Keynotes, Madrigal, Mixed Chorus, and Girls' Chorus.

Rehearsing for public performances and singing for personal enjoyment were combined in the scheduled meetings of these choruses.

"Resolved, that all future leaders should participate in debate." Senator Dirksen, former Vice-President Richard Nixon, and forensic coaches everywhere would have little difficulty upholding this proposition. Composed of our school's outstanding leaders, the East Peoria squad completed its sixth forensic year with participation in 18 tournaments against over 100 Illinois teams from Chicago to Champaign. With a record bettering any other previous year, the squad's season was highlighted with the winning of two Mid-State Eight trophies and the sponsorship of the fifth annual invitational tournament. The team brought statewide recognition to the school in tournaments held at Augustana College, Normal, LaGrange, and Aurora. Dominated by juniors and sophomores, the Rhetorical Raiders look forward to an even greater year in 1964.

To the Sunday sports fan, the letters NFL stand for National Football League, but to outstanding East Peoria speech students the National Forensic League means national recognition to superior speakers. The group earns membership through participation in debate, discussion, individual events, and service programs for the community. Holding monthly meetings, the East Peoria chapter works on various school projects, earns money for summer workshop scholarships for deserving students, and sponsors the annual invitational tournament. The highlight of the season for these outstanding students is the annual "Forensic Fun-Feast," a spring banquet providing yearly recognition to them before attending parents, brothers, sisters, and teachers. After the banquet, a night of gym-fun is had with everyone participating. The National NFL claims many of the nation's outstanding leaders in political, social, and entertainment fields.

The school organization for librarians, Dewey Decimals, aids students in the procedures of the library, shows the opportunities available to the professional librarian, and encourages more extensive reading.

After their meetings each month, the ten members were entertained with wide and varied programs. They also had book reviews and helped to decide which books would be purchased for the library.

During the basketball season, they capably ran their concession. All proceeds from the concession stand went to the United Fund and the American Field Service Fund.

Bonjour mes amies — This year a new club joined the many already established at East Peoria. This organization, French Club, has as its advisor a French import, Mrs. Rene Stokes.

On the calendar of events for 1962-63 was the sponsoring of a post-game dance, observing a French holiday with a party, initiating with a Parisian flair, and the singing of French Christmas carols.

Future Homemakers of America

The national organization for girls studying homemaking in high schools of the United States, Puerto Rico, and the Virgin Islands is the Future Homemakers of America.

This year the club has had a variety of activities. These activities began with a get-acquainted picnic, which was held at Fondulac Park. The club was also responsible for concessions during the Homecoming festivities. Christmas activities included the making of scrapbooks for a children's home. The girls visited the nursery when the scrapbooks were completed and entertained the children who were preschool age with songs and stories. The club also went Christmas caroling with the Y-Teens Club. The big event of the year was the annual style show. Although the show required a great deal of work, the success of the show was well worth the effort.

The Future Nurses' Club is an organization aimed at promoting interest in community health as well as providing service to the community. The organization also points out, to all interested, the benefits of a medical career.

Movies, panel discussions, and guest speakers are but a few of the activities of F. N. A. Volunteer work. Candy Stripers, St. Francis Hospital Francenettes, and the Red Cross are also part of the activities.

F. N. A., in addition, offers a scholarship to a deserving senior who is entering Nurse's Training.

Those students planning to become teachers explore and satisfy their interest in the club, Future Teachers of America.

Monthly meetings and the teachings of Mrs. Dowell, sponsor of F.T.A., gave the club members a chance to learn the principles of good teaching. Guest speakers, discussions, pamphlets, movies, and student reports cleared the way for the F.T.A. members' college and teaching days yet to come.

While assisting the faculty (more than two hundred hours were rendered), F.T.A. members were enabled to develop the essential qualities for teaching. Sponsoring a game concession and the selling of stationery financed the annual F.T.A. scholarship which was awarded to a deserving member of the Senior Class. Through the capable guidance of Mrs. Dowell and the interest of its members, F.T.A. has shown that it is one of the most serviceable and active clubs at E.P.C.H.S.

Arranging the meetings and carrying out the many and varied activities of G.A.A., the largest club at EPCHS, kept the board members, under the direction of Miss Betty Staley and Miss Mary Ann Glenn, hard at work this 1962-63 school year.

The members showed their complete enthusiasm with their 4000 leaf decorations for the Homecoming Dance. Slumber Party, Daddy Date-Nite, a solemn initiation picnic, Penny Carnival, and many playdays were the notable events on its calendar. G.A.A., in addition, sponsored the intramural sports, tennis, campcraft, badminton, and trampoline, which were the tools for members to build and uphold the high ideals of the club.

This year was also a progressive one with the G.A.A. going national. It is now a member of the National G.A.A. Project and part of the A.A.P.H.E.R.

Hall Messengers

"Another message for Mr. Wilson . . . ."

The office messengers at E.P.C.H.S. carried messages to students and teachers. They relinquished their study hours to help the deans and others concerned with the Student Services.

The messengers also had the duties of picking up absentee slips in the morning and distributing the absentee lists after they had been made out.

Library Staff

The student librarians, under the guidance of their capable advisor, Miss Baker, gave up their homeroom periods, study halls, and free time before and after school in an attempt to be of assistance to the other students in the school.

Their many valuable duties ranged from preparing new books for circulation, working at the desk, shelving books, and distributing library mail.

"To be a good citizen is our aim."

Yes, since 1947 this has been the basic goal of the Hi-Y Club members of E.P.C.H.S.

The Hi-Y Club, under the auspices of the Y.M.C.A., is composed of a group of students who strive during the year to maintain high standards in Christian character at home, at school, and in the community. This is accomplished through meetings which are held twice each month.

Through the year members of this group participated in the "Youth in Government" program. At this year's session Charles Harter presided as Mayor. Through the planning of President Vernie Davis and the advisors, Mr. King and Mr. Cassady, the club also took part in such activities as club parties, swimming, and week-end field trips.

The Industrial Education Club, now in its second year, is quickly becoming a popular organization among industrial arts students.

Bi-monthly meetings are held to afford opportunities for development in civic, social, and industrial pursuits, to foster high ideals, and to create interest in industrial education.

Although this club is a comparatively new one, it has gotten off to an excellent start with some very fine activities, these being the Homecoming Dance (Indian Summer), an initiation picnic, and field trips to Bradley University and Keystone Steel and Wire Company.

Although this very active club performed numerous service activities throughout the year, they still had time for fun. The hi-lights of the year were the Roman Banquet and the election of the Emperor and Empress, who presided over the banquet. Many Roman customs were used at this banquet; thus, the members were able to enjoy themselves while becoming familiar with certain of the more prominent traditions. The Latin Club also sponsored a coat-check at the homecoming dance, a chili supper, and a Christmas party and participated in bowling, an activity which was enjoyed by many throughout the year.

Lettermen's Club

Lettermen's Club this year, under the counseling of John Murphy, has taken part in numerous school activities. The Homecoming bonfire is one phase of school life in which the members of Lettermen's Club took part. It was the duty of the club to arrange what turned out to be the most successful bonfire E.P.C.H.S. has ever had. The club also sponsored a concession stand and a post-game dance.

When one becomes a member of Lettermen's Club, he is introduced to the high ideals for which the club stands: school spirit, sportsmanship, interest in athletics, and complete adherence to rules established by the coaching staff. Along with these ideals, the Lettermen's Club annually makes the Dean's Cup Award (a $100 scholarship) to a senior who has demonstrated leadership in school as well as in athletics.

Math Club

The E.P.C.H.S. Math Club is an honorary organization affiliated with Mu Alpha Theta. The local chapter tries to broaden the mathematical knowledge of its members.

Two notable innovations helping to further these goals during the past year were the introduction of a club newspaper, containing club news and mathematical puzzles and projects, and student participation math projects. Other Math Club activities included sponsoring concessions at the Woodruff basketball game, giving slide rule instruction, and sponsoring the annual math contest.

To become a member, one must maintain an 88 average in math and an 85 average in all other classes. He must also have completed algebra and be taking plane geometry.

National Honor Society

Among the numerous honorary associations at East Peoria, National Honor Society is perhaps the most coveted of all. From the freshman year, when a student attends his first National Honor Society assembly, he is inspired to work toward this goal. He listens attently to the speaker, Mr. Wilson, who enumerates the qualifications for membership in the honor society. They are simply: a student must have completed four semesters of study at East Peoria, maintained an over-all average of 88 or better, be active in school and community affairs, and, lastly, the student wishing a nomination to National Honor Society must submit an application listing all of the individual's activities and honors.

The twenty-four students chosen represent many things to the student body, but the people who know what it takes to be nominated for Honor Society realize these people stand for four years' hard work.

The National Thespian Society is an organization created for students who love the theater. The members experience all the joys and fears of appearing before a critical audience. Members also learn stage technicalities and the behind-the-scene jobs of make-up, sound, and lighting.

The polished performances of the members of Thespians were the results of difficult competition in try-outs, long hours of rehearsal, and anxious moments just before curtain time.

Thespians, although their main purpose is acting, also sponsor a spring assembly, the Keen-Teen elections, and the "Oscars" for outstanding theatrical performances.

Orchesis, the Greek word for dancing, is an organization of select girls who wish to gain an appreciation in the art of dance.

The 1962-63 Orchesis represented East Peoria High at several community functions — one never to be forgotten was the production of "The Littlest Angel" for the Peoria Players — and dance clinics at area colleges. Besides these, an annual Christmas party and banquet were held. The objective of the weekly meetings, exercises, and guidance by Miss Marion Kneer was the 1963 Orchesis Concert. "Poe For Moderns," "Medea," and others will always be remembered by the members as stimulating.

Junior Class Play

Concentrated cognizance.

A golden moment.

Thornton Wilder's "Our Town," a long-to-be-remembered production, was presented by this year's junior class. A story of everyday life in a small New England town at the turn of the century, it provoked laughter, tears, and — most important — recognition, as it told of George Gibbs and Emily Webb and their suddenly discovered love for each other.

Carol Schmitt played Emily with warmth and charm, while Glen Riley and Richard Fauber, alternating in the role of George provided excellent support. Sally Burchell, Sharon Waltz, Vernie Davis, and Gary Wade played their parents. Two of the more interesting townspeople were the town gossip (Nancy Kolb) and the alcoholic choirmaster (Ronald Beetschen).

Most impressive of all, in one of the lengthiest parts ever written, was Randy Craft as the Stage Manager, a sort of narrator who helped Emily bring out the theme that "life goes too fast . . . we don't have time to look at one another!"

"Our Town" was both an artistic and a financial success for its 40 cast members and 37 crewmen, with special credit going to Student Director Harry Ingold and Assistants Sylvia Brummitt and Bob Salata.

"Dear Ruth"

Dear Ruth, Norman Krasner's delightful and tender war comedy, capably directed by Charles Harter, was a total success, affording a most enjoyable evening of entertainment for the audience and a rewarding and successful experience for all who participated in the polished and professional performance. Peggy White, in the title role, created a warm and responsive Ruth whose love vacillates between the debonair and charming Lt. Bill Seawright, played with smoothness and warmth by Mike Phelps, and her fiance, Albert, played with humor and poise by Richard Akins. Barbara Johnson more than adequately portrayed the mischievous sister Miriam, whose letters caused the comic situations. The difficult and important roles of the parents were played by Janet Roger and Willis Lamb, both doing an outstanding job of acting. Supporting roles were handled with dignity by Joanne Hoffman, Roger Ferris, Carol Newlan, Norma Wys, and Bill Logue. **Dear Ruth,** with its pathos and laughter, will long remain a vivid and worthwhile memory.

"With this ring, I thee wed."

"Get your Powwow this noon outside the cafeteria." This was the annoucement heard eight times this year in homeroom, heralding the arrival of each edition of our school newspaper. An up-to-date homecoming issue inaugurated the interesting, informative tabloids students eagerly awaited.

Headed this year by a new advisor, Mr. Wilkinson, the completely new staff waded into the problems of getting copy in on time, prying the news from resistant forces, making the copy fit into the proper space, making trips to the printer to try to sychronize operations, carefully proof-reading the proof pages, deciding on sizes of heading, and hoping that the final copy turned out as desired by a scrupulous staff.

Quill and Scroll

Members of Quill and Scroll are chosen annually on an honorary basis in recognition of outstanding work in journalism. These students must have an over-all "B" average and have made contributions to the Epoch or Pow Wow. This national honorary society sponsors seminars and conferences for those members wishing to improve or excel in this field.

This year Quill and Scroll consists of nine members who are fine representatives of the literary talent of E. P. C. H. S. Some of these members are credited for the interesting copy found in the rejuvenated Pow Wow. Others form the nucleus of the yearbook editorial staff.

The purpose of the Spanish Club at E.P.C.H.S. is to gain further knowledge of the Spanish speaking peoples of the world, their customs, and their language.

Through the helpful efforts of their capable leader, Mrs. Carole Huls, they participate in and promote interesting and useful activities, such as the writing and receiving of foreign pen-pal letters and a tape exchange.

The Spanish Club has many exciting hours to offer the individual and its many areas of study and entertainment.

Student Government

Serving as a link between Student Council and the student body, the House of Representatives strives to keep the students informed of the latest events and activities.

In order to assist in the many social events and moneymaking projects of East Peoria High, the House was divided into several different committees performing duties for the Pancake Supper, decorating for "Cool Yule," laboring at concessions at football games, and collecting for the T.B. Fund.

The Student Council is the acting student government of E.P.C.H.S. The members possess the keen desire to better our school.

Among the many projects undertaken this year were Homecoming, Christmas charities, school elections, and the A.F.S. Fund. Student Council was also responsible for planning the assemblies and organizing a safety week.

With the help of our able and willing leaders in Student Council, this past academic year proved to be, in every way, an outstanding success.

Y-Teens

Y-Teens is a world-wide fellowship of women and girls of every race, creed, color, and occupation in seventy countries and territories.

The purpose of the Young Women's Christian Association is "to build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

This year the Y-Teens activities have been numerous and lots of fun. The activities began with a get-acquainted and invitation picnic with the Hi-Y Club. Next came a city-wide slumber party for all Y-Teens. Christmas activities included caroling at a hospital, a Christmas party with Hi-Y Club, and a sleigh-riding party. Then, there was the annual Sweetheart Hop. This year the hop was a tremendous success. The student body, as well as the faculty members, had a wonderful time. In addition to these many social affairs, the club participated in numerous civic affairs. The club marched in the Red Feather Parade, helped fold T. B. seals at the T. B. Center, ushered for the Peoria Players, and sponsored a St. Patrick's Day Party for the retarded children.

Land of the Free . . .

It began with the alphabet.

Words appeared.

Just one more caption . . . .

Then pictures were taken.

Evenings were spent . . . .

. . . Home of the Epoch.

"Romeo, Romeo! Wherefore art thou, Romeo?"

"I'm right here in the main office buying my Epoch, Sweetie!"

With the advent of Madison Avenue advertising techniques, advice to the Freshman on what they would gain immediately and in later years by having a yearbook, and work, Work, WORK by the Epoch staff, this year's annual set a sales record beyond our fondest dreams. But sales are not enough! This year's book is setting new standards of excellence in body design, picture layout, and interesting copy-fitting. The editorial staff of Tobi Winders, Editor, and Barb Cripe and Gary Hunt, Assistant Editors, started working on this book long before last year's summer vacation began. When typing was required, Pat Joos and Aloma Thomas responded; when pictures were needed, Jim Mathews answered the call; when art work had to be drawn up, Pat Dray and Kitty Borton picked up their brushes.

We, as seniors, must now learn to make our own way in a lonely, complex world.

Lots of Luck
in the Future.

the fun that we had when we were smaller.
Remember when I broke my arm from jumping
out of the swings at school. Remember when
we had the fight in the school room and
one kid threw something and broke a win-
dow. Remember the time when they were building
on the school and the brick fell thought the
roof and fell on my desk. Remember the time
someone broke in the school and we made foot
prints going down in the woods and the police
thought that they were the person's
We have had a lot of fun together
